The expenditure incurred may be sanctioned and the Director asked to state what arrangements have been made for disposal of the stock before it deteriorates, further and why it should not be released to the merchants at cost subject to their selling the stuff at prices to be fixed by the D. F. S.

D
28/5/45 The expenditure incurred in employing a gang of 6 Coolies for one month may be sanctioned. The rate at which they are being paid is not mentioned.

Action may be taken as per A above if he does not want it said. It is difficult to believe that it was not possible to pack this stuff (which is not easily available even in Bangalore) more quickly. It seems necessary to go more closely into this case and enquire how long it did work at stock and whether the Districts were consulted regarding their requirements & whether all post depots were kept fully supplied with this stuff.

Action taken may be approved. Further enquiries may be made as suggested above.

GOVERNMENT OF MYSORE

Bl.Bl469/44-45. OFFICE OF OFFICE OF THE DIRECTOR OF Food CIVIL SUPPLIES IN MYSORE, BANGALORE.

Encls.

Date 1st May 1945.

The Secretary to Government,

Development Department,

(Food Supplies), Bangalore.

Sir, 6343/42

Subject: Appointment of a special gang of ~~six~~ six collies on a pay of Rs. 25/- each per mensum for fumigation work.

I have the honour to state that there is a stock of 8,143 bags of Urd in the godowns of the Asst. Director of Food Supplies (Depots). As the stock is sufficiently old it is reported by Asst. Director of Food Supplies (depots) that it is showing signs of deterioration. To avoid further deterioration it is necessary to fumigate the same thoroughly. Stocks have been distributed among several godowns, and most of them are not suitable for fumigation work. The Urd stocks have therefore to be shifted to suitable places for fumigation and removed thereafter. The Secretary, Food Grains Preservation Committee requests that a gang of six coolies may be placed at his disposal for a period of one month so that he may continuously attend to this work. The staff already with him is not capable of attending to this urgent work in addition to their normal duties. In these circumstances, and with a view to avoid loss to Government, it is necessary to appoint a gang of six coolies as requested for by the Secretary, Food Grains Committee.

I have therefore requested the Assistant Director of Food Supplies to appoint the special gang in anticipation of sanction and to get the work executed immediately.

P.T.O.

executed immediately.

3. I request you kindly to obtain the sanctio of Government to my action.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.
